(BY MAIL) I am "readily familiar" with The County of Tulare's practice of collection and processing correspondence by mailing. Under that practice, mail is deposited with the U.S. Postal Service on the same day with postage fully prepaid at Visalia, California, in the ordinary course of business. I am aware that on motion of the party served, service is presumed invalid if postal cancellation date or postage meter date is more than one day after date of deposit for mailing in affidavit.

Executed on September 9, 2010, at Visalia, CA.
